5 Percival Gull Place, Auckland Airport

This established industrial facility comprises approximately 4,180m² of high-stud, clear-span warehouse accommodation supported by office space, canopy-covered loading areas and sealed yard. Three roller doors provide warehouse access, while the generous external areas support efficient vehicle movements and a range of freight, logistics and distribution operations.

Located within Auckland Airport's Cargo Precinct, 5 Percival Gull Place is well positioned for freight and logistics operations, with close access to Checkpoint Delta, the domestic and international terminals, and key transport connections via George Bolt Memorial Drive and SH20A.
